

Golf Buggy Safety Policy

The Club has a duty of care to all users of the golf course. The topography of certain areas of the course is such that caution and prudence must be shown by the user of a ride-on buggy. It is also necessary for the Club to provide adequately safe means of access for all golfers including those given permission to use buggies. Moreover, the Club has to ensure the safety of golfers who do not wish to use ride-on buggies but who might be at risk from a mechanically defective ride-on buggy or its careless use. This duty of care also applies to members of the public using the various rights of way.

To assist the safe employment of ride-on buggies all potential users (members and visitors) shall comply with the following conditions:
